

# Tulsa Global Alliance Presents "If I Were Going, I Would Go to ..."

Join representatives from Tulsa Global Alliance's Sister Cities and the country of Serbia at area libraries for a variety of activities to commemorate Worldwide International Education Week, Nov. 12-16.

Imagine a mini Kids' World, only instead of traveling the globe, kids will focus on one country at a time through educational hands-on activities, books, storytelling, puppet theater, arts and crafts. Tulsa Global

Alliance will give away door prizes, including free tickets to the 2008 Kids' World Festival, at each library program.
